

## Water Quality Hotlines

Residents can help report violations or problems they notice in their neighborhood and local streams before they cause more damage and pollution. Residents sometimes may be the first to recognize "illicit" discharges dumping into storm sewers or coming out of from storm sewer outfalls. You can help by promptly reporting the following events to the authorities listed below.

Here are some of the conditions that you should report and who to contact:

<b>Violation</b>	<b>Who to Contact</b>
