

# REFLECTIVE ADDRESS SIGNS

Properly displayed house numbers allow emergency personnel to respond more quickly to an emergency. Lingohocken Fire Company, Police and EMS Services are encouraging all residents to properly display their address.

To assist residents, the Lingohocken Fire Company has begun processing orders for blue reflective signs that can be displayed near the street. The sign may be displayed either on a mail box or post in the front yard. If your mail box is not located on your property, it is suggested that the reflective sign be installed on a post at least 3' high in the front yard visible from both directions of travel.

- ❖ Double sided blue sign with white numbering.
- ❖ Signs are 6" by 18" with rounded corners and 3" lettering.
- ❖ Highly reflective background and especially effective at night.
- ❖ Rust and weather proof heavy gauge aluminum sign.

## **\$15.00 Per Sign (Hardware Included)**
